

A woman with long, wavy brown hair is sitting on a bed, looking directly at the camera. She is wearing a black, sleeveless top and dark pants. The room is dimly lit, with warm light coming from a window behind her, creating a soft glow. In the background, out of focus, are city lights at night, appearing as bokeh circles. The overall mood is intimate and sophisticated.

Beautyrest
BLACK®

DREAM IN BLACK™

SLEEP IS THE **ULTIMATE LUXURY™**

Beautyrest BLACK® is more than a mattress; it's a haven for deep, restorative sleep that inspires your senses.

Your Beautyrest BLACK® experience goes beyond mere comfort to create a restful escape where you can Dream in Black™.

LUXURY MEETS TECHNOLOGY

The latest advancements in Pocketed Coil® Technology, memory foam and high performance fabrics come together to create a luxurious and rejuvenating sleep that can only be experienced with a Beautyrest BLACK® mattress.

OUR BEST **CONFORMING BACK SUPPORT**

Our patented Advanced Pocketed Coil® Technology helps deliver exceptional pressure relief and conforming back support. These triple-wrapped coils offer increased strength, motion separation, conformability and durability. Micro Pocketed Coil® Technology is added to our level 3 models, helping to provide enhanced comfort and support.

EXCEPTIONAL COMFORT AND TEMPERATURE MANAGEMENT

Experience the ultimate in luxurious sleep with technology that caters to your comfort. The seamless integration of high performance technologies and advanced materials in Beautyrest BLACK® are designed to help your body maintain an ideal sleeping temperature to create a haven of luxurious sleep.

Micro Diamond™ Memory Foam

In our Level 1 models, Micro Diamond™ Memory Foam works in tandem with the Advanced Pocketed Coil® Technology to create our best conforming back support. Actual diamond particles infused in the memory foam conduct heat away from the body for all night comfort.

BlackICE™ Memory Foam

Level 2 and Level 3 models take temperature management even further. BlackICE™ Memory Foam is our newest breathable gel technology which we apply to our Micro Diamond™ Memory Foam designed to help maintain an ideal sleep climate.

SurfaceCool™ Plus Fiber

Directly beneath our luxurious surface fabric, SurfaceCool™ Plus Fiber is designed to dissipate heat away from the body to keep you comfortable throughout the night.

LEVEL 1

Includes models: Calista™, Desiree™, and Katarina™

CONFORMING BACK SUPPORT

Advanced Pocketed Coil® Technology

Helps provide individualized back support, freedom of movement and exceptional pressure point relief throughout the night.

COMFORT AND PRESSURE RELIEF

Micro Diamond™ Memory Foam

Works with our Advanced Pocketed Coil® Technology to create enhanced conforming back support. Micro diamonds in the foam help conduct heat away from the surface to prevent overheating.

AirCool® Gel Memory Foam

Gel is added to our proprietary AirCool® Memory Foam to help promote freedom of movement and pressure point relief while maintaining exceptional airflow for a cool comfortable sleep environment.

GelTouch® Foam

Provides soothing comfort with a soft gel foam for enhanced surface contouring and conformability.

TEMPERATURE MANAGEMENT

SurfaceCool™ Plus Fiber

This material located at the surface of the bed, is designed to dissipate heat away from your body to help keep you comfortable as you sleep.

ADDITIONAL FEATURES

Ventilated AirCool® BeautyEdge®
Adjustable Base Compatible
10 Year Limited Warranty

LEVEL 2

Includes models: Mariela™ and Natasha™

CONFORMING BACK SUPPORT

Advanced Pocketed Coil® Technology

Helps provide individualized back support, freedom of movement and exceptional pressure point relief throughout the night.

COMFORT AND PRESSURE RELIEF

Dynamic Response™ Memory Foam

This ventilated memory foam has a unique feel and helps provide conforming back support and increased airflow for an ideal temperature.

Comfort Response™ Latex

This ventilated latex has a distinctive feel and conforms to your body for pressure-relieving comfort.

AirCool® Gel Memory Foam

Gel is added to our proprietary AirCool® Memory Foam to help promote freedom of movement and pressure point relief while maintaining exceptional airflow for a cool comfortable sleep environment.

TEMPERATURE MANAGEMENT

BlackICE™ Memory Foam

Our newest breathable gel technology applied to our Micro Diamond™ Memory Foam is designed to help maintain an ideal sleep climate.

SurfaceCool™ Plus Fiber

This material located at the surface of the bed, is designed to dissipate heat away from your body to help keep you comfortable as you sleep.

ADDITIONAL FEATURES

Ventilated AirCool® BeautyEdge®
Adjustable Base Compatible
10 Year Limited Warranty

Illustration shows Natasha™, other models will vary

LEVEL 3

Includes models: Sonya™ and Tatiana™

CONFORMING BACK SUPPORT

Advanced Pocketed Coil® Technology

Helps provide individualized back support, freedom of movement and exceptional pressure point relief throughout the night.

Micro Pocketed Coil® Technology

Additional layer of durable, low profile coils are added for enhanced support and comfort.
