Also, clearly note any sidemarks you desire to be shown on the shipping labels.

ORDER ACKNOWLEDGEMENTS

Upon receipt of your order, a Wesley Allen acknowledgement will be faxed or emailed to you within 2 business days. Upon receipt, you must review the acknowledgement to ensure its accuracy. In the event that you need to contact us regarding an order, please have available the Wesley Allen Order Number, as shown on the top of the acknowledgement. This will expedite locating your order and making any necessary changes. If you do not receive an acknowledgement for each order within a reasonable period, please contact our office at 323-231-4275.

ORDER CANCELLATIONS AND CHANGES

Cancellations or changes will only be accepted within 3 business days of the Order Acknowledgement date. Cancellations or changes **MUST BE RECEIVED IN WRITING BY FAX or EMAIL at info@wesleyallen.com**. Cancellations after 3 business days are subject to a 25% service charge. Orders cancelled that have been completed will be billed a 50% restocking charge. Cancelled orders that shipped will be charged a 50% re-stocking fee and customer pays freight charges.

PRICES

All prices and shipments are F.O.B. shipping point (our facility in Los Angeles). All shipments are freight collect. If shipments are sent prepaid, the actual shipping cost will be billed to you.

FREIGHT DAMAGE CLAIMS

All damage claims incurred in transit are the responsibility of the customer. You must carefully inspect the product upon receipt and note any damage on the freight carrier's bill of lading. All freight claims will be filed by you with the freight carrier. Goods are packed with great care by our experienced staff using standard approved methods and are received by the freight carrier in excellent condition. If there is concealed damage which is identified subsequent to receipt, a concealed damage claim must be filed by you with the freight carrier. For concealed damage claims, you are required to retain all packaging materials for inspection by the freight carrier's representative.

RETURN OF GOODS

If product is received that you believe has a manufacturer's defect, you must contact the Sales Representative for inspection. If the product is found to be defective, you must obtain a Return Authorization number from our customer service department prior to returning the product or a credit authorization before making a deduction from your payment. We will not accept product returns without an RA number nor will we accept any deductions or chargebacks without a credit authorization. In order to protect the merchandise on the return, the item being returned must be wrapped in the original or similar packaging. The product **MUST BE PROPERLY PACKED WITH ALL VITAL POINTS TRIPLE WRAPPED** to minimize damage while in transit. If the item is received damaged due to improper packaging by you, we will not be responsible for the damages incurred in transit. We will refuse all returned product that has been damaged by the freight carrier and you will have to file a freight claim. If product returned is found to be free of manufacturer's defect, you will be billed a 50% restocking fee plus freight costs for the return of the product.

REPAIRS PERFORMED BY CUSTOMER

If you identify that minor repairs are required, you must contact Customer Service for an In-Field Service Authorization number. We will not accept any chargebacks or deductions for repairs performed by you **UNLESS THEY HAVE BEEN AUTHORIZED** by our Customer Service Department. Failure to obtain such Authorization number on any chargeback or deduction will result in a denial of the chargeback or deduction.

WAREHOUSING CHARGE

If a customer requests that Wesley Allen hold an order beyond the original requested date, a warehouse charge of \$20.00 per day may be assessed for each day after the first week the order is held in our warehouse.

CONSOLIDATED ORDERS

Completed orders held for consolidation at customer's request will be held for a maximum of 5 days. No more than two orders will be held for consolidation unless other orders are already in-house.

TERMS

Opening orders must be accompanied by a completed credit application and any applicable sales tax exemption forms. Opening orders will be processed when the credit application is approved. Open account invoices are due within 30 days of the invoice date unless otherwise agreed. Any check which is returned as insufficient funds (NSF) by the bank will result in an additional charge of \$35.

FINISHES

Due to the unique nature of the finishes and the individual craftsmanship in applying the finish to each product, some slight variances are inherent and are not considered as a manufacturer's defect.

WESLEY ALLEN grants to the dealer (stocking or non-stocking) a non-exclusive, revocable license to use WESLEY ALLEN's trademarks, service marks, trade names, copyrights, and/or designs whether registered or unregistered, in or relating to all Wesley Allen products in connection with the retail sale of Wesley Allen products. CUSTOMER OWN MATERIAL (C.O.M.) WELCOME!

Create custom furniture with Wesley Allen Customer's-Own-Material (C.O.M.) service. This service lets you combine your choice of fabrics with the style of a Wesley Allen design, giving you the ultimate in decorating versatility.

HOW IT WORKS

- Choose one of our quality fabrics or send us one of your own. Please remember that all C.O.M. furniture is made to order. Therefore, these items are non-returnable and non-cancellable.
- **C.O.M. requests have an upcharge per item.**
 - Bed **\$50**
 - Benches **\$30**

HOW TO ORDER

- We must have the order form before we can proceed with your order. Please cut a small swatch of your material (at least one square inch) and staple it right side up to your order form.
- In the unlikely event that your material and order form become separated, this will assist us in locating your fabric.
- If your fabric and order form will be sent to us in separate packages, please indicate so on your order form.
- On the mailing label of the package in which you send your fabric, please write "Attention COM Department," and include your name, return address, AND PO#.

NOTE: FABRIC MUST BE SENT BY OUR CUSTOMER DIRECTLY TO WESLEY ALLEN. THE CUSTOMER'S FABRIC SENT BY VENDOR WILL NOT BE ACCEPTED AS WESLEY ALLEN CANNOT GUARANTEE THE FABRIC SENT BY THE VENDOR IS THE FABRIC CHOSEN BY OUR CUSTOMER.

SELECTING YOUR FABRIC

To ensure the quality of the finished product, please follow the guidelines below for selecting fabric:

- **Fabric must be at least 54" wide, railroaded.**
- All fabric must be continuous yardage; we cannot accept multiple pieces of material.
- Printed or leather fabrics - Please call office.
- Before sending your fabric to us, please inspect it for flaws.
- Because inadequate fabric will delay your order and excess fabric cannot be returned, please measure carefully.
- All fabric must be sent on a roll, not folded.
- Yards required (estimation only)
 - Double/Queen, Eastern/California King Beds: approximately between 5-10 yards
 - Twin beds: approximately between 2-3 yards
 - Benches: approximately 2 yards

If you have any questions about the suitability of your fabric choice, please email info@wesleyallen.com or call (323) 231-4275.

- For reference purposes, the bed frame sits 8 inches off the floor for the Complete Beds (CB) and 16 inches for Complete Beds with Slatted Frame (CBS).
- Bed frames are finished in Matte Black unless otherwise specified in your original order. An upcharge will apply for other finishes.

PLEASE NOTE:

- 39" HIGH-RISERS AND ROLL-OUT TRUNDLES ARE AVAILABLE FOR DAYBEDS, TWINS AND DOUBLES ONLY, AND THE BED MUST BE ORDERED IN THE CBS CONFIGURATION WHERE AVAILABLE.
- THE POP-UP TRUNDLES ARE 1 ½ INCH SHORTER THAN THE BED (HEIGHTS WON'T MATCH).
